AFFIDAVIT

STATE OF IOWA,

POLK COUNTY

I, the undersigned, being duly sworn, state that all facts contained in this Complaint and Affidavit, known by me or told to me by other reliable persons form the basis for my belief that the defendant committed this crime

State all facts and persons relied upon supporting elements of alleged crime

On 2 January 2019 at approximately 02:00 hours the victim, [REDACTED] was contacted by a female associate of the defendant. The female utilized deception in an effort to make contact with the victim and bring him to a location in the City of Des Moines. The female did locate the victim and drive him to 2932 Logan Avenue in the City of Des Moines. Once at that location, the defendant and other parties involved in this incident began to assault and detain the victim. The victim was taken into a garage and held against his will by being assaulted by the defendant and other parties. The victim had recently been involved in conversations with the defendant's wife via social media and in person, and the defendant questioned him in regards to the relationship. The victim was struck several times with objects, fists, and kicked, resulting in visible injuries. While detained, the defendant forced the victim to dress in a ladies blouse while being mocked and was photographed by others involved in the incident. The victim was assaulted during the forced questioning several times, and was only released after he was threatened to be killed if he reported the incident. The victim estimated he was held for nearly two hours. The defendant and others involved then drove the victim back to the location he had been picked up at in Urbandale with the threat of retaliation and death if he contacted police to report the incident. In the days after this incident occurred pictures of the victim showing him bloodied wearing the ladies garment were circulated via social media by those involved in this incident. Those pictures as well as documented statements made via messages outlined what had occurred, corroborating the victim's description, including the assault and torture of the victim as he begged to leave and were recovered by police from witnesses. The defendant was located and questioned by police, acknowledging that the victim was brought to his home utilizing deception by another and assaulted while in the garage and questioned about the relationship. The defendant was arrested and charged with Kidnapping 1st. At time of arrest, the case remains under investigation with other potential arrests.
